

## Instructions for completing Michigan Sales and Use Tax Certificate of Exemption

The purchaser shall complete all four sections of the exemption certificate to establish a valid exemption claim. A seller must meet a "good faith" standard required by law. "Good faith" means that the seller received a completed and signed Certificate of Exemption from the purchaser. Sellers must retain the exemption certificates for a period of at least four years.

Michigan does not issue "tax exemption numbers". Sellers should not accept a number as evidence of exemption from sales or use tax. A purchaser who claims exemption for "resale at retail" or "for lease" must provide the seller with an exemption certificate and their sales tax license number or use tax registration number.

### SECTION 1:

Place a check in the box that describes how you will use this certificate.

- a) Choose "One time purchase" and include the invoice number this certificate covers.
- b) Choose "Blanket Certificate" when there is a recurring business relationship. A "recurring business relationship" exists when a period of not more than 12 months elapses between sales transactions between the seller and purchaser.

Print the vendor's name and address in the area provided.

### SECTION 2:

Place a check in the box for "All items purchased" or choose "Limited to" and list the items that are covered by the exemption claim.

### SECTION 3:

Place a check in the box that applies and provide the additional information requested for that exemption. The exemptions listed are the most common. If the exemption you are claiming is not listed use "Other" and enter the qualifying exemption.

### SECTION 4:

Use the number that describes your business or explain any other business type not provided.
